THANK YOU, BENTON-FRANKLIN HUMANE SOCIETY, FOR ALL YOUR HARD WORK!

As management of the Tri-Cities Animal Shelter transitions today, the city and shelter staff express gratitude to BFHS.

As the Benton-Franklin Humane Society transitions out of the shelter, we would like to take a moment to thank them for their hard work and dedication.

Their dedication to the animals of our community during the emergent situation has not gone unnoticed.

Thank you, BFHS!

The Tri-Cities Animal Shelter is a stray/redemption facility funded by taxpayer dollars. Through the Animal Control Authority (ACA) and an interlocal agreement between the cities of Richland, Pasco, and Kennewick, the Shelter serves the residents and animals within the city limits of the three cities.
